2021-2025

Toc H Public School | 10+2   Kochi,Kerala
PCM with Computer Science | Score:-95.2% | CBSE
2021

Toc H Public School | 10   Kochi,Kerala
Score:-91.2% | CBSE

PROJECTS

Automated Bus Card | Jan-May 2024

- Developed a RFID enabled ticketing system for bus transportation that helps in revolutionizing fare payment processes.
- The system offers features including real time alerts, user friendly interface and efficient fare payments for ease of use.

PayPerPlate | Nov-Dec 2023

- Developed a canteen management system, designed to streamline the dining experience for college hostellers.
- The platform provides each student with a dedicated wallet, from which amounts were deducted based on the food they consumed, allowing students to track their food history.

TECHNICAL AND VOLUNTARY EXPERIENCE

- IEEE subcommittee member in Web Development [Muthoot Institute of Technology and Science | 2023]

- WORKSHOPS:
  - Embedded Intelligence with Jetson Nano - IIT PALAKKAD
  - Hands-on workshop on Gen AI- IEEE CS SBC MITS
  - Hands-on workshop on Tensorflow- Google AI Campus Fest
- INKRIT 23 | Hackathon
       [MES College Marampally, Aluva| 03-03-2023]
  - Built a Web Platform for Career Development.
  - Git:https://github.com/Sherinr11/SkillMount
